## **SECTION 8 ADMINISTRATIVE PLAN**

---

### **1.0 EQUAL OPPORTUNITY**

#### ***1.1 FAIR HOUSING***

It is the policy of the Beaufort Housing Authority to comply fully with all Federal, State, and local nondiscrimination laws; the Americans With Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Beaufort Housing Authority housing programs.

To further its commitment to full compliance with applicable Civil Rights laws, the Beaufort Housing Authority will provide Federal/State/local information to applicants for and participants in the Section 8 Housing Choice Voucher Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Beaufort Housing Authority office. In addition, all appropriate written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The Beaufort Housing Authority will assist any family that believes they have suffered illegal discrimination by providing them copies of the housing discrimination form. The Beaufort Housing Authority will also assist them in completing the form, if requested, and will provide them with the address of the nearest HUD Office of Fair Housing and Equal Opportunity.

#### ***1.2 REASONABLE ACCOMMODATION***

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Beaufort Housing Authority housing programs and related services. When such accommodations are granted they do not confer special treatment or advantage for the person with a disability; rather, they make the program fully accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the Beaufort Housing Authority will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the Beaufort Housing Authority will ensure that all applicants/participants are aware of the opportunity to request reasonable accommodations.

### **1.3 COMMUNICATION**

Anyone requesting an application will also receive a Request for Reasonable Accommodation Form.

Notifications of reexamination, inspection, appointment, or termination of assistance will include information about requesting a reasonable accommodation. Any notification requesting action by the participant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests will be in writing.

### **1.4 QUESTIONS TO ASK IN GRANTING THE ACCOMMODATION**

- A. Is the requestor a person with disabilities? For this purpose the definition of disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such impairment, or is regarded as having such an impairment. (The disability may not be apparent to others, i.e., a heart condition).

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the Beaufort Housing Authority will obtain verification that the person requesting the accommodation is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the Beaufort Housing Authority will obtain documentation that the requested accommodation is needed due to the disability. The Beaufort Housing Authority will not inquire as to the nature of the disability.
- C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:
1. Would the accommodation constitute a fundamental alteration? The Beaufort Housing Authority's business is housing. If the request would alter the fundamental business that the Beaufort Housing Authority conducts, that would not be reasonable. For instance, the Beaufort Housing Authority would deny a request to have the Beaufort Housing Authority do grocery shopping for the person with disabilities.

2. Would the requested accommodation create an undue financial hardship or administrative burden? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the Beaufort Housing Authority may request a meeting with the individual to investigate and consider equally effective alternatives.

Generally the individual knows best what they need; however, the Beaufort Housing Authority retains the right to be shown how the requested accommodation enables the individual to access or use the Beaufort Housing Authority's programs or services.

If more than one accommodation is equally effective in providing access to the Beaufort Housing Authority's programs and services, the Beaufort Housing Authority retains the right to select the most efficient or economic choice.

If the participant requests, as a reasonable accommodation, that he or she be permitted to make physical modifications to their dwelling unit, at their own expense, the request should be made to the property owner/manager. The Housing Authority does not have responsibility for the owner's unit and does not have responsibility to make the unit accessible. The Housing Authority may, however, grant a higher payment standard for units where property owners make physical modifications for persons with disabilities so long as the payment standard does not exceed 110% of FMRs.

Any request for an accommodation that would enable a participant to materially violate family obligations will not be approved.

## ***1.5 SERVICES FOR NON-ENGLISH SPEAKING PERSONS AND PARTICIPANTS***

All applicants that appear to be experiencing difficulties communicating in English will be asked if they need to communicate in a language other than English (including sign language). Their needs will be accommodated as much as possible. If another family member or a friend can translate, this option will be utilized to the maximum degree possible. The Beaufort Housing Authority will endeavor to have bilingual staff or access to people who speak languages other than English.

The Beaufort Housing Authority shall do its best, within reason, to assist people with Limited English Proficiency (LEP). This shall be accomplished by assessing the need of LEP persons using the four factors described in the January 22, 2007 Final Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons; Notice published in the Federal Register. The Beaufort Housing Authority shall balance these factors in deciding what to do:

- A. The number or proportion of LEP persons served or encountered in the eligible service area;
- B. The Frequency with which LEP individuals come in contact with the program;

- C. The nature and importance of the program activity, or service provided by the program; and
- D. The resources available to the Housing Authority and costs.

Depending upon what this analysis reveals, the Beaufort Housing Authority may or may not prepare a Language Access Plan (LAP). If a LAP is needed, the guidance outlined in the above references Notice shall be utilized.

In addition, the Beaufort Housing Authority will endeavor to have bilingual staff or access to people who speak languages other than English.

## ***1.6 FAMILY/OWNER OUTREACH***

The Beaufort Housing Authority will publicize the availability and nature of the Section 8 Program for extremely low-income and very low families in a newspaper of general circulation, minority media, and by other suitable means.

To reach persons who cannot or do not read newspapers the Beaufort Housing Authority will distribute fact sheets to the broadcasting media and initiate personal contacts with members of the news media and community service personnel. The Beaufort Housing Authority will also try to utilize public service announcements.

The Beaufort Housing Authority will communicate the status of program availability to other service providers in the community and advise them of housing eligibility factors and guidelines so that they can make proper referral of their clients to the program.

The objective of this effort is to develop a waiting list that is representative of our low-income community. A particular emphasis will be placed on attracting eligible individuals and families least likely to apply for the Housing Choice Voucher Program.

The Beaufort Housing Authority will hold briefings for owners who participate in or who are seeking information about the Section 8 Program. The briefings are intended to:

- A. Explain how the program works;
- B. Explain how the program benefits owners;
- C. Explain owners' responsibilities (including lead-based paint) under the program. Emphasis is placed on quality screening and ways the Beaufort Housing Authority helps owners do better screening; and
- D. Provide an opportunity for owners to ask questions, obtain written materials, and meet Beaufort Housing Authority staff.

The Beaufort Housing Authority will particularly encourage owners of suitable units located outside of low-income or minority concentration and owners of accessible units to attend. Targeted mailing lists will be developed and announcements mailed.

### **1.7 RIGHT TO PRIVACY**

All adult members of both applicant and participant households are required to annually sign HUD Form 9886, *Authorization for Release of Information and Privacy Act Notice*. The *Authorization for Release of Information and Privacy Act Notice* states how family information will be released and includes the *Federal Privacy Act Statement*.

Any request for applicant or participant information will not be released unless there is a signed release of information request from the applicant or participant.

### **1.8 REQUIRED POSTINGS**

The Beaufort Housing Authority will post, in each of its offices in a conspicuous place and at a height easily read by all persons including persons with mobility disabilities, the following information:

- A. The Section 8 Administrative Plan
- B. Notice of the status of the waiting list (opened or closed)
- C. Address of all Beaufort Housing Authority offices, office hours, telephone numbers, TDD numbers, and hours of operation
- D. Income Limits for Admission

In addition to the eligibility criteria, families must also meet the Beaufort Housing Authority screening criteria in order to be admitted to the Section 8 Program.

Household. “Family includes, but is not limited to, the following, regardless of actual or perceived sexual orientation, gender identity, or marital status.”

1. A **family with or without children**. Such a family is defined as a group of people related by blood, marriage, adoption or affinity“(regardless of actual or perceived sexual orientation, gender identity, or marital status)” that lives together in a stable family relationship.
  - a. Children temporarily absent from the home due to placement in foster care are considered family members.
  - b. Unborn children and children in the process of being adopted are considered family members for purposes of determining bedroom size, but are not considered family members for determining income limit.
2. An **elderly family**, which is:
  - a. A family whose head, (including co-head) spouse, or sole member is a person who is at least 62 years of age;
  - b. Two or more persons who are at least 62 years of age living together; or

  - b. Two or more persons who are at least 50 years of age but below the age of 62 living together; or
  - c. One or more persons who are at least 50 years of age but below the age of 62 living with one or more live-in aides.
4. A **disabled family**, which is:
  - a. A family whose head, (including co-head ) spouse, or sole member is a person with disabilities;
  - b. Two or more persons with disabilities living together; or

- c. One or more persons with disabilities living with one or more live-in aides.
  - d. For purposes of qualifying for low-income housing, does not include a person whose disability is based solely on any drug or alcohol dependence.
- 5. A **displaced family** is a family in which each member, or whose sole member, has been displaced by governmental action, or whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal disaster relief laws.
  - 6. A **remaining member of a tenant family** is a family member of an assisted family who remains in the unit when other family members have left the unit.
  - 7. A **single person** who is not an elderly or displaced person, or a person with disabilities, or the remaining member of a tenant family.

B. Income eligibility

- 1. To be eligible to receive assistance a family shall, at the time the family initially receives assistance under the Section 8 program shall be a family that is:
  - a. An extremely low-income or a very low-income family;
  - b. A low-income family continuously assisted under the 1937 Housing Act, including families relocated from public housing for the convenience of the agency (continuously assisted families are not counted against the income targeting requirements);
  - c. A low-income family that is a non-purchasing resident in a HOPE 1 or HOPE 2 project or a property subject to a resident homeownership program under 24 CFR 248.173;
  - d. A low-income family or moderate-income family that is displaced as a result of the prepayment of the mortgage or voluntary termination of an insurance contract on eligible low-income housing.
- 2. Income limits apply only at admission and are not applicable for continued occupancy; however, as income rises the assistance will decrease.

3. The applicable income limit for issuance of a housing choice voucher is the highest income limit for the family size for areas within the housing authority's jurisdiction. The applicable income limit for admission to the program is the income limit for the area in which the family is initially assisted in the program. The family may only use the voucher to rent a unit in an area where the family is income eligible at admission to the program.
4. Families who are moving into the Beaufort Housing Authority's jurisdiction under portability and have the status of applicant rather than of participant at their initial housing authority must meet the income limit for the area where they are initially assisted under the program.
5. Families who are moving into the Beaufort Housing Authority's jurisdiction under portability and are already program participants at their initial housing authority do not have to meet the income eligibility requirement for the Beaufort Housing Authority program.
6. Income limit restrictions do not apply to families transferring units within the Beaufort Housing Authority Section 8 Program.

C. Citizenship/Eligible Immigrant status

To be eligible for a housing choice voucher at least one member of the family must be a citizen, national, or a noncitizen who has eligible immigration status under one of the categories set forth in Section 214 of the Housing and Community Development Act of 1980 (see 42 U.S.C. 1436a(a)) or a citizen of the Republic of Marshall Islands, the Federated States of Micronesia, or the Republic of Palau. However, people in the last category are not entitled to housing assistance in preference to any United States citizen or national resident within Guam.

Family eligibility for assistance.

1. A family shall not be eligible for assistance unless at least one member of the family residing in the unit is determined to have eligible status, with the exception noted below.
2. Despite the ineligibility of one or more family members, a mixed family may be eligible for one of three types of assistance (See Section 11.5(F) for calculating rents under the noncitizen rule).
3. A family without any eligible members and receiving assistance on June 19, 1995, may be eligible for temporary deferral of termination of assistance.

D. Social Security Number Documentation

To be eligible, all family members must provide a Social Security Number.

E. Signing Consent Forms

1. In order to be eligible each member of the family who is at least 18 years of age, and each family head and spouse regardless of age, shall sign one or more consent forms.
2. The consent form must contain, at a minimum, the following:
  - a. A provision authorizing HUD and the Beaufort Housing Authority to obtain from State Wage Information Collection Agencies (SWICAs) any information or materials necessary to complete or verify the application for participation or for eligibility for continued occupancy;
  - b. A provision authorizing HUD or the Beaufort Housing Authority to verify with previous or current employers or other sources of income information pertinent to the family's eligibility for or level of assistance;
  - c. A provision authorizing HUD to request income information from the IRS and the SSA for the sole purpose of verifying income information pertinent to the family's eligibility or level of benefits;
  - d. A statement allowing the Beaufort Housing Authority permission to access the applicant's criminal record with any and all police and/or law enforcement agencies; and
  - e. A statement that the authorization to release the information requested by the consent form expires 15 months after the date the consent form is signed.

F. Suitability for tenancy

The Beaufort Housing Authority determines eligibility for participation and will also conduct criminal background checks on all adult household members, including live-in aides. The Beaufort Housing Authority will deny assistance to a family because of drug-related criminal activity or violent criminal activity by family members. This check will be made through state or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. If the individual has lived outside the local area, the Beaufort Housing Authority may ask the applicant to provide records from their previous jurisdiction or may request a check through a National data

base such as the FBI's National Crime Information Center. This criminal background check will proceed after each adult household member has signed a consent form designed by the Beaufort Housing Authority. The information received as a result of the criminal background check shall be used solely for screening purposes. The information shall be maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose(s) for which it was requested has been accomplished and the period for filing a challenge to the Beaufort Housing Authority's action has expired without a challenge or final disposition of any litigation has occurred.

The Beaufort Housing Authority will check with the State sex offender registration program and will ban for life any individual who is registered as a lifetime sex offender. The Beaufort Housing Authority will check with our state registry and if the applicant has resided in another State(s), with that State(s)'s list.

If an applicant is about to be denied housing based on either the criminal check or the sex offender registration program, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the denial or eviction occurs.

Additional screening is the responsibility of the owner. Upon the written request of a prospective owner, the Beaufort Housing Authority will provide to the owner the name, address, and phone number of the applicant's current landlord and any previous landlords that are known to the housing authority.

G. No assistance shall be provided under section 8 of the 1937 Act to any individual who:

1. Is enrolled as a student at an institution of higher education, as defined under section 102 of the Higher Education Act of 1965 (20 U.S.C. 1002);
2. Is under 24 years of age;
3. Is not a veteran of the United States Military;
4. Is unmarried;
5. Does not have a dependant child; and
6. Is not otherwise individually eligible, or has parents who, individually or jointly, are not eligible on the basis of income to receive assistance under Section 8 of the 1937 Act.

The above restriction does not apply to a person with disabilities as such term is defined in section 3(b)(3)(E) of the 1937 ACT and who was receiving Section 8 assistance on November 20,2005.

The enhanced voucher minimum rent requirement remains in effect for all families who receive enhanced voucher assistance and remain at the property.

2. The payment standard used to calculate the family subsidy will continue to be enhanced to match the gross rent for the unit if the gross rent exceeds the normally applicable payment standard and the Beaufort Housing Authority determines the rent is reasonable for as long as the enhanced voucher family continues to reside in the same property.

If the owner raises the rent for a family assisted with an enhanced voucher in accordance with the lease, State and local law, and voucher program regulations, the Beaufort Housing Authority will increase the enhanced payment standard to equal the new gross rent (rent to owner and the applicable Beaufort Housing Authority utility allowance for any tenant-supplied utilities) for the unit provided the Beaufort Housing Authority determines the rent is reasonable. The additional cost of the subsidy will be covered through the regular renewal process for the Beaufort Housing Authority's voucher program.

If a change in the Beaufort Housing Authority's utility allowance (either an increase or decrease) affects the gross rent for a family assisted with an enhanced voucher, the Beaufort Housing Authority will adjust the enhanced payment standard accordingly. The enhanced payment standard may never exceed the gross rent for the assisted family's unit.

#### **28.4 HUD ENFORCEMENT ACTIONS**

HUD enforcement actions can take the form of either terminating a Section 8 project-based HAP contract or not offering the owner the option to renew an expiring Section 8 project-based HAP contract due to an owner's failure to comply with the terms of the HAP contract. It includes suspensions and debarments.

Additionally, HUD enforcement actions may also result from material adverse financial or managerial actions or omissions that lead to either an owner default under a FHA-insured mortgage (monetary or technical) or a documented material violation of one or more of the obligations under the property's Regulatory Agreement.

Eligible families are usually assisted with regular vouchers that HUD issues to the Beaufort Housing Authority in the above circumstances because families must move to receive housing choice voucher assistance.

**Tolling:** see suspension.

**Total tenant payment (TTP):**

- (1) Total tenant payment is the amount calculated under Section 3(a)(1) of the 1937 Act which is the higher of :
  - a. 30% of the family's monthly adjusted income;
  - b. 10% of the family's monthly income;
  - c. Minimum rent; or
  - d. if the family is receiving payments for welfare assistance from a public agency and a part of such payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of such payments which is so designated.

- (2) If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under Section 3(a)(1) shall be the amount resulting from one application of the percentage.

**Utility allowance:** If the cost of utilities (except telephone) and other housing services for an assisted unit is not included in the tenant rent but is the responsibility of the family occupying the unit, an amount equal to the estimate made or approved by a housing authority or HUD of the monthly cost of a reasonable consumption of such utilities and other services for the unit by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful living environment.

  - (3) Family certification or declaration (only used when third-party or documentation verification is not available)

**Very low-income families:** Families whose incomes do not exceed 50% of the median family income for the area, as determined by HUD with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 50% of the median for the area if HUD finds that such variations are necessary because of unusually high or low family incomes.

**Victims of Domestic Violence:** Individuals or families who have been or are being subjected to or victimized by violence by a member of the family or household. The Beaufort Housing Authority will require evidence that the family has been displaced as result of fleeing violence in the home. Individuals and families are also eligible for this preference if there is proof that the individual or family is currently living in a situation where they are being subjected to or victimized by violence in the home. Evidence or proof may include a Protection from Abuse Order, police report, or written verification that the individual or family is living in an emergency shelter because the individual or family has been subjected to or victimized by violence by a member of the family or household. The following criteria are used to establish an individual's or a family's eligibility for this preference:

- A. Verified actual or threatened physical violence directed against the applicant or the applicant's family by a spouse or other household member who lives in the unit with the family or where the family has fled its housing to escape from an abuser.
- B. The actual or threatened violence must have occurred within the past 30 calendar days or be of a continuing nature.

An applicant who lives in a violent neighborhood or is fearful of other violence outside the household is not considered involuntarily displaced as a result of domestic violence.

The applicant must certify that the abuser will not reside with the applicant unless the Housing Authority gives prior written approval.

The Housing Authority may approve the return of the abuser to the household under the following conditions:

- A. The Housing Authority verifies that the abuser has received therapy or counseling that appears to minimize the likelihood of the recurrence of violent behavior.
- B. A counselor, therapist or other appropriate professional recommends in writing that the individual be allowed to reside with the family.

If the abuser returns to the family without approval of the Housing Authority, the Housing Authority will deny or terminate assistance for breach of the certification.

If the family requests it, the Beaufort Housing Authority will try to ensure that the new location of the family is concealed.

- B. Conditioned on participation in work experience or community service (or any other work activity under 45 CFR 261.30).

The term “assistance” excludes:

- A. Nonrecurrent, short-term benefits that:
  - 1. Are designed to deal with a specific crisis situation or episode of need;
  - 2. Are not intended to meet recurrent or ongoing needs; and
  - 3. Will not extend beyond four months.
